Region Feud Competition  
*A PVF Fundraising Event*

Six podiums (five region teams and Show Host), screen, questions/answers on computer, five Port Supply flashlights, timer, notebook computer, projector, PowerPoint & audio.

Timing Judge:	USCG
Judge (which light turned on first, allowable answer, etc.):	USCG
Scorekeeper:	USCG

The Show designated Judge(s) and Scorekeeper decisions shall be absolute & final

Each region shall have a team of 20 paid participants, one shall be designated the Team Captain. The Team Captain will be the only spokesperson for their respective Team.

Toss Up – A question is posed by Show Host Captain Alan E. D. Bernstein, the first region Captain who turns on their show provided Port Supply flashlight must provide an answer within 10 seconds.

- A. If the “region” provided the top answer, that region wins control of the question. They must huddle with their region to get the remaining answers (10 seconds per answer). For every incorrect answer (i.e., an answer not on the Board) or not given in the allotted time they receive an X, two X’s and the Region loses control & the Region to their right has the ability to take control of the question by providing an answer (10 seconds), if their answer appears on the Board they receive all the points accumulated in that round. Any tie goes to the region that lit their Show provided their show provided Port Supply flashlight first.
- B. If the “region” does not provide the top answer the Region to their right has a chance to answer the question (within 10 seconds) and can huddle with their team....

So on until all 10 questions are revealed and each “region” has had a chance.

Assigning Points

Each answer has points associated with it equal to the number of people in the survey that provided that same answer. As noted above a region has the ability to steal points too.

**All 100 paid participants must be in the muster area behind their respective podium prior to competition start**

The winner is the team that accumulates the most points within 10 questions/rounds.
